1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a water and sewer customer of Carolina Water Service, Incorporated in the Maple Grove subdivision in Lexington, SC. I am considered part of the "I-20" water system, am a "Water Distribution Only" customer, and a standard sewer customer.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Carolina Water charges high rates. They do not provide fire hydrants and will not allow use of fire hydrants on their lines in case of fire. I should not pay for water used for waste water treatment plants. This should be metered (not estimated) at the WWTP and not be included in water customer rate calculations or charges.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
